# COMPLAINTS POLICY

# Lord Street Primary School

## Part of The Pennine Trust

### Section 1: Who can make a complaint?

This complaints procedure is not limited to parents or carers of children that are registered at the school. Any person, including members of the public, may make a complaint to Lord Street Primary School about any provision of facilities or services that we provide. Unless complaints are dealt with under separate statutory procedures (such as appeals relating to exclusions or admissions), we will use this complaints procedure.

### The difference between a concern and a complaint

A concern may be defined as '*an expression of worry or doubt over an issue considered to be important for which reassurances are sought*'.

A complaint may be defined as '*an expression of dissatisfaction however made, about actions taken or a lack of action*'.

It is in everyone's interest that concerns, and complaints are resolved at the earliest possible stage. Many issues can be resolved informally, without the need to use the formal stages of the complaints procedure. Lord Street Primary School takes concerns seriously and will make every effort to resolve the matter as quickly as possible.

If you have difficulty discussing a concern with a particular member of staff, we will respect your views. In these cases, Hayley Walsh, will refer you to another staff member. Similarly, if the member of staff directly involved feels unable to deal with a concern, Hayley Walsh will refer you to another staff member. The member of staff may be more senior but does not have to be. The ability to consider the concern objectively and impartially is more important.

We understand however, that there are occasions when people would like to raise their concerns formally. In this case, Lord Street Primary School will attempt to resolve the issue internally, through the stages outlined within this complaints procedure.

### How to raise a concern or make a complaint

A concern or complaint can be made in person, in writing or by telephone. They may also be made by a third party acting on behalf on a complainant, as long as they have appropriate consent to do so.

Complaints against school staff (except the headteacher) should be made in the first instance, to Hayley Walsh (*the headteacher*) via the school office. Please mark them as Private and Confidential.

Complaints that involve or are about the headteacher should be addressed to Jo McCue (*the Chair of Governors*), via the school office. Please mark them as Private and Confidential.

Complaints about the Chair of Governors, any individual governor or the whole governing body should be addressed to Ben Walker, the Head of Governance and Communications to the Local

Governing Body, via e-mail: [bwalker@penninetrust.org](mailto:bwalker@penninetrust.org). Please mark them as Private and Confidential.

Complaints about the Chief Executive Officer (CEO) or a trustee of the Trust, should be addressed to Marie Burnham, Chair of Trustees, via the trust office (Bridgewater House, Suite 5, Surrey Road, Nelson, BB9 7TZ). Please mark them as Private and Confidential.

For ease of use, a template complaint form is included at the end of this procedure. If you require help in completing the form, please contact the school office. You can also ask a third-party organisation for example like the Citizens Advice to help you.

In accordance with equality law, we will consider making reasonable adjustments if required, to enable complainants to access and complete this complaints procedure. For instance, providing information in alternative formats, assisting complainants in raising a formal complaint or holding meetings in accessible locations.

## Anonymous complaints

We will not normally investigate anonymous complaints. However, the headteacher or chair of the local governing body, if appropriate, will determine whether the complaint warrants an investigation.

## Time scales

You must raise the complaint within three months of the incident or, where a series of associated incidents have occurred, within three months of the last of these incidents. We will consider complaints made outside of this time frame if exceptional circumstances apply.

## Complaints received outside of term time

We will consider complaints made outside of term time to have been received on the first school day after the holiday period.

## Scope of this complaints procedure

This procedure covers all complaints about any provision of community facilities or services by Lord Street Primary School other than complaints that are dealt with under other statutory procedures, including those listed below.

<b>Exceptions</b>	<b>Who to contact</b>
<ul style="list-style-type: none"><li>• Admissions to schools</li></ul>	Concerns about admissions should be handled through a separate process – either through the appeals process or via the local authority.
<ul style="list-style-type: none"><li>• Matters likely to require a Child Protection Investigation</li></ul>	Complaints about child protection matters are handled under our child protection and safeguarding policy and in accordance with relevant statutory guidance. However, the complainant will be notified that the matter is being addressed.</p>

If other bodies are investigating aspects of the complaint, for example the police, local authority (LA) safeguarding teams or Tribunals, this may impact on our ability to adhere to the timescales within this procedure or result in the procedure being suspended until those public bodies have completed their investigations. If this happens, we will inform you of a proposed new timescale.

If a complainant commences legal action against Lord Street Primary School in relation to their complaint, we will consider whether to suspend the complaints procedure until those legal proceedings have concluded.

## Resolving complaints

At each stage in the procedure, Lord Street Primary School wants to resolve the complaint. If appropriate, we will acknowledge that the complaint is upheld in whole or in part. In addition, we may offer one or more of the following:

- an explanation
- an admission that the situation could have been handled differently or better

- an assurance that we will try to ensure the event complained of will not recur
- an explanation of the steps that have been or will be taken to help ensure that it will not happen again and an indication of the timescales within which any changes will be made
- an undertaking to review school policies in light of the complaint
- an apology.

## **Withdrawal of a complaint**

If a complainant wants to withdraw their complaint, we will ask them to confirm this in writing.

## **Section 2: Stage 1 – Informal complaints**

It is to be hoped that most concerns can be expressed and resolved on an informal basis. We seek to resolve all concerns informally and as quickly as possible. An informal resolution should not infer that the school will not take significant subsequent action, where it is appropriate.

Concerns should be raised with either the class teacher, year head / subject head or headteacher. Complainants should not approach individual governors to raise concerns or complaints. They have no power to act on an individual basis and it may also prevent them from considering complaints at Stage 3 of the procedure.

At the conclusion of their investigation, the appropriate person investigating the complaint will provide an informal written response within 10 school days of the date of receipt of the complaint.

If the issue remains unresolved, the next step is to make a formal complaint.

## **Stage 2 – Formal complaints**

If the complainant feels that their concern has not been resolved during the informal discussions within Stage One, they may raise a formal complaint under Stage Two of the policy.

Formal complaints must be made to the headteacher (unless they are about the headteacher), via the school office. This must be done by using the Trust's Complaint Reporting Form, which can be found on the School's website (copy at Appendix 1) , unless the complainant has a disability, learning difficulty or difficulties with the English language which prevents this, in which case the complainant may contact the school for assistance. The complaint should be addressed to the headteacher.

When the complainant is completing the Complaint Reporting Form, the complainant should provide as much detail as possible about the matter, including dates and times of events, potential witnesses, copies of any relevant documents, and a clear indication of the action(s) they are seeking to resolve their complaint.

The headteacher will record the date the complaint is received and will acknowledge receipt of the complaint in writing (either by letter or email) within 5 school days.

Within this response, the headteacher will seek to clarify the nature of the complaint and ask what remains unresolved. The headteacher can consider whether a face-to-face meeting is the most appropriate way of doing this.

*Note: The headteacher may delegate the investigation to another member of the school's senior leadership team, however they do not have the authority to take a decision on the outcome of the investigation.*

During the investigation, the headteacher (or investigator) will:

- if necessary, interview those involved in the matter and/or those complained of, allowing them to be accompanied if they wish
- keep a written record of any meetings/interviews in relation to their investigation.

At the conclusion of their investigation, the headteacher will provide a formal written response within 20 school days of the date of receipt of the complaint.

If the headteacher is unable to meet this deadline, they will provide the complainant with an update and revised response date.

The response will detail any actions taken to investigate the complaint and provide a full explanation of the decision made and the reason(s) for it. Where appropriate, it will include details of actions Lord Street Primary School will take to resolve the complaint.

The headteacher will advise the complainant of how to escalate their complaint should they remain dissatisfied with the outcome of Stage 2.

If the complaint is about the headteacher, or a member of the local governing body (including the Chair or Vice-Chair), a suitably skilled governor will be appointed to complete all the actions at Stage 2.

Complaints about the headteacher or member of the local governing body must be made to the Trust's Governance Professional, via [bwalker@penninetrust.org](mailto:bwalker@penninetrust.org).

If the complaint is:

- jointly about the Chair and Vice Chair or
- the entire local governing body or
- the majority of the local governing body

Stage 2 will be escalated to the CEO of the Trust.

## **Stage 3 – Panel Hearing**

If the complainant is dissatisfied with the outcome at Stage 2 and wishes to take the matter further, they can escalate the complaint to Stage 3 – a panel hearing consisting of at least three people who were not directly involved in the matters detailed in the complaint with one panel member who is independent of the management and running of the school. This is the final stage of the complaints procedure.

A request to escalate to Stage 3 must be made to the Head of Governance and Communications, via the school office, within 10 school days of receipt of the Stage 2 response.

The Head of Governance will record the date the complaint is received and acknowledge receipt of the complaint in writing (either by letter or email) within 5 school days.

Requests received outside of this time frame will only be considered if exceptional circumstances apply.

The Head of Governance and Communications will write to the complainant to inform them of the date of the meeting. They will aim to convene a meeting within 30 school days of receipt of the Stage 2 request. If this is not possible, the Head of Governance and Communications will provide an anticipated date and keep the complainant informed.

If the complainant rejects the offer of three proposed dates, without good reason, the Head of Governance and Communications will decide when to hold the meeting. It will then proceed in the complainant's absence on the basis of written submissions from both parties.

If the complaint is:

- jointly about the Chair and Vice Chair or
- the entire governing body or
- the majority of the governing body

Stage 3 will be heard by the trustees and an independent panel member.

A complainant may bring someone along to the panel meeting to provide support. This can be a relative or friend. Generally, we do not encourage either party to bring legal representatives to the committee meeting. However, there may be occasions when legal representation is appropriate.

For instance, if a school employee is called as a witness in a complaint meeting, they may wish to be supported by union and/or legal representation.

*Note: Complaints about staff conduct will not generally be handled under this complaints procedure. Complainants will be advised that any staff conduct complaints will be considered under (Human Resources) staff disciplinary procedures, if appropriate, but outcomes will not be shared with them.*

Representatives from the media are not permitted to attend.

At least 8 school days before the meeting, the Head of Governance and Communications will:

- confirm and notify the complainant of the date, time and venue of the meeting, ensuring that, if the complainant is invited, the dates are convenient to all parties and that the venue and proceedings are accessible
- request copies of any further written material to be submitted to the committee at least 5 school days before the meeting.

Any written material will be circulated to all parties at least 5 school days before the date of the meeting. The committee will not normally accept, as evidence, recordings of conversations that were obtained covertly and without the informed consent of all parties being recorded.

The committee will also not review any new complaints at this stage or consider evidence unrelated to the initial complaint to be included. New complaints must be dealt with from Stage 1 of the procedure.

The meeting will be held in private. Electronic recordings of meetings or conversations are not normally permitted unless a complainant's own disability or special needs require it. Prior knowledge

and consent of all parties attending must be sought before meetings or conversations take place. Consent will be recorded in any minutes taken.

The committee will consider the complaint and all the evidence presented. The committee can:

- uphold the complaint in whole or in part
- dismiss the complaint in whole or in part.

If the complaint is upheld in whole or in part, the committee will:

- decide on the appropriate action to be taken to resolve the complaint
- where appropriate, recommend changes to the school's systems or procedures to prevent similar issues in the future.

The Chair of the Committee will provide the complainant and Lord Street Primary School with a full explanation of their decision and the reason(s) for it, in writing, within 10 school days.

The letter to the complainant will include details of how to contact the Education and Skills Funding Agency (ESFA) if they are dissatisfied with the way their complaint has been handled by Lord Street Primary School.

The response will detail any actions taken to investigate the complaint and provide a full explanation of the decision made and the reason(s) for it. Where appropriate, it will include details of actions Lord Street Primary School will take to resolve the complaint.

The panel will ensure that those findings and recommendations are sent by electronic mail or otherwise given to the complainant and, where relevant, the person complained about. Furthermore, they will be available for inspection on the school premises by the proprietor and the headteacher.

A written record will be kept of all complaints, and of whether they are resolved at the preliminary stage or proceed to a panel hearing, along with what actions have been taken, regardless of the decision.

All correspondence statements and records relating to individual complaints will be kept confidential, except where the Secretary of State or a body conducting an inspection under section 109 of the 2008 Act requests access to them.

## **Complaints escalated to / about the Trust, CEO or Trustee**

If a complaint is escalated to The Pennine Trust "the Trust" or if a complainant wishes to complain directly about the trust, then the complaint should be sent to the CEO to be investigated. The CEO will not investigate complaints that do not fall into the above categories and complainants should not complain directly to the CEO, just because they consider their complaint to be sufficiently serious.

The CEO will write to the complainant acknowledging the complaint within 5 school days of the date that the written request was received. The acknowledgement will confirm under which Stage of this Complaints Policy their complaint will be dealt with and will confirm the date for providing a response to the complainant.

Following the investigation, the CEO will write to the complainant confirming the outcome within 10 school days of the date that the letter was received. If this time limit cannot be met, the CEO will write to the Complainant within 15 school days of the date that the letter was received, explaining the reason for the delay and providing a revised date.

If the complaint concerns the CEO or a Trustee, the complaint should be investigated by the Chair of the Trust Board. If a formal complaint form is received about the Chair, the complaint will be referred to the Vice Chair for investigation

*NB. Where the Chair of the Trust Board has investigated the complaint, they will write the letter of outcome to the Complainant and provide a copy to the CEO.*

If the complainant is not satisfied with the outcome of the previous stage, the complainant should write to the Head of Governance and Communications by e-mail ([bwalker@penninetrust.org](mailto:bwalker@penninetrust.org)) asking for the complaint to be heard before a Complaint Panel, within 10 school days.

The Head of Governance and Communications will record the date the complaint is received and acknowledge receipt of the complaint in writing (either by letter or email) within 5 school days.

Requests received outside of this time frame will only be considered if exceptional circumstances apply.

The Head of Governance and Communications will write to the complainant to inform them of the date of the meeting. They will aim to convene a meeting within 30 school days of receipt of the Stage 2 request. If this is not possible, the Head of Governance and Communications will provide an anticipated date and keep the complainant informed.

If the complainant rejects the offer of three proposed dates, without good reason, the Head of Governance and Communications will decide when to hold the meeting. It will then proceed in the complainant's absence on the basis of a written submissions from both parties.

If the complaint is:

- jointly about the Chair and Vice Chair or
- the entire trust board or
- the majority of the trust board

Stage 3 will be heard by a completely independent committee panel. These arrangements are in line with those stated in section 2 earlier in the policy.

*Note: Complaints about staff conduct will not generally be handled under this complaints procedure. Complainants will be advised that any staff conduct complaints will be considered under staff disciplinary procedures, if appropriate, but outcomes will not be shared with them.*

Representatives from the media are not permitted to attend.

At least 8 school days before the meeting, the Head of Governance and Communications will:

- confirm and notify the complainant of the date, time and venue of the meeting, ensuring that, if the complainant is invited, the dates are convenient to all parties and that the venue and proceedings are accessible
- request copies of any further written material to be submitted to the committee at least <insert number> school days before the meeting.

Any written material will be circulated to all parties at least 5 school days before the date of the meeting. The committee will not normally accept, as evidence, recordings of conversations that were obtained covertly and without the informed consent of all parties being recorded.

The committee will also not review any new complaints at this stage or consider evidence unrelated to the initial complaint to be included. New complaints must be dealt with from Stage 1 of the procedure.

The meeting will be held in private. Electronic recordings of meetings or conversations are not normally permitted unless a complainant's own disability or special needs require it. Prior knowledge and consent of all parties attending must be sought before meetings or conversations take place. Consent will be recorded in any minutes taken.

The committee will consider the complaint and all the evidence presented. The committee can:

- uphold the complaint in whole or in part
- dismiss the complaint in whole or in part.

If the complaint is upheld in whole or in part, the committee will:

- decide on the appropriate action to be taken to resolve the complaint
- where appropriate, recommend changes to the school's systems or procedures to prevent similar issues in the future.

The Chair of the Committee will provide the complainant and The Pennine Trust with a full explanation of their decision and the reason(s) for it, in writing, within 10 school days.

The letter to the complainant will include details of how to contact the Education and Skills Funding Agency (ESFA) if they are dissatisfied with the way their complaint has been handled by The Pennine Trust.

The response will detail any actions taken to investigate the complaint and provide a full explanation of the decision made and the reason(s) for it. Where appropriate, it will include details of actions The Pennine Trust will take to resolve the complaint.

The panel will ensure that those findings and recommendations are sent by electronic mail or otherwise given to the complainant and, where relevant, the person complained about. Furthermore, they will be available for inspection on the school premises by the proprietor and the headteacher.

A written record will be kept of all complaints, and of whether they are resolved at the preliminary stage or proceed to a panel hearing, along with what actions have been taken, regardless of the decision.

All correspondence statements and records relating to individual complaints will be kept confidential, except where the Secretary of State or a body conducting an inspection under section 109 of the 2008 Act requests access to them.

### **Section 3: Confidentiality and data protection**

All complaints will be handled in the strictest confidence by the Trust and its schools and Data Protection principles will be applied in line with the Trust's GDPR Policy. Correspondence, statements and records relating to individual complaints will be kept confidential except where the Secretary of State or a body conducting an inspection under section 162A of the Education Act 2002 requests access to them or where the Trust is otherwise required by law to disclose them.

It is expected that complainants will also keep their complaint private and confidential. In particular, complainants are not expected to discuss complaints publicly via any form of social media or with

third parties. The posting of defamatory, offensive or derogatory comments by the complainant on social media will not be accepted.

Electronic recordings of meetings must not be made by either the Trust or the complainant. A meeting to discuss a complaint may not go ahead if the complainant is insistent on recording the meeting. The Trust will take notes of any meetings to discuss a complaint, which may be shared afterwards, and complainants may do likewise.

Due to private rights under data protection legislation, information disclosed relating to an outcome if it relates to a third-party individual i.e. disciplinary action of a member of staff or another pupil, may sometimes be limited.

## **Section 4: Dealing with unreasonably persistent or vexatious complaints and behaviour**

Lord Street Primary School is committed to dealing with all complaints fairly and impartially, and to providing a high quality service to those who complain. We will not normally limit the contact complainants have with our school. However, we do not expect our staff to tolerate unacceptable behaviour and will take action to protect staff from that behaviour, including that which is abusive, offensive or threatening.

Lord Street Primary School defines unreasonable behaviour as that which hinders our consideration of complaints because of the frequency or nature of the complainant's contact with the school, such as, if the complainant:

- refuses to articulate their complaint or specify the grounds of a complaint or the outcomes sought by raising the complaint, despite offers of assistance
- refuses to co-operate with the complaints investigation process
- refuses to accept that certain issues are not within the scope of the complaints procedure
- insists on the complaint being dealt with in ways which are incompatible with the complaints procedure or with good practice
- introduces trivial or irrelevant information which they expect to be taken into account and commented on
- raises large numbers of detailed but unimportant questions, and insists they are fully answered, often immediately and to their own timescales
- makes unjustified complaints about staff who are trying to deal with the issues, and seeks to have them replaced
- changes the basis of the complaint as the investigation proceeds
- repeatedly makes the same complaint (despite previous investigations or responses concluding that the complaint is groundless or has been addressed)
- refuses to accept the findings of the investigation into that complaint where the school's complaint procedure has been fully and properly implemented and completed including referral to the Department for Education
- seeks an unrealistic outcome
- makes excessive demands on school time by frequent, lengthy and complicated contact with

staff regarding the complaint in person, in writing, by email and by telephone while the complaint is being dealt with

- uses threats to intimidate
- uses abusive, offensive or discriminatory language or violence
- knowingly provides falsified information
- publishes unacceptable information on social media or other public forums.

Complainants should try to limit their communication with the school that relates to their complaint, while the complaint is being progressed. It is not helpful if repeated correspondence is sent (either by letter, phone, email or text), as it could delay the outcome being reached.

Whenever possible, the headteacher or Chair of Governors will discuss any concerns with the complainant informally before applying an '*unreasonable*' marking.

If the behaviour continues, the headteacher will write to the complainant explaining that their behaviour is unreasonable and ask them to change it. For complainants who excessively contact Lord Street Primary School causing a significant level of disruption, we may specify methods of communication and limit the number of contacts in a communication plan. This will be reviewed after six months.

In response to any serious incident of aggression or violence, we will immediately inform the police and communicate our actions in writing. This may include barring an individual from Lord Street Primary School.

## **Section 5: Next Steps**

If the complainant believes the school / trust did not handle their complaint in accordance with the published complaints procedure or they acted unlawfully or unreasonably in the exercise of their duties under education law, they can contact the ESFA after they have completed Stage 3.

The ESFA will not normally reinvestigate the substance of complaints or overturn any decisions made by Lord Street Primary School. They will consider whether Lord Street Primary School has adhered to education legislation and any statutory policies connected with the complaint and whether they have followed Part 7 of the Education (Independent School Standards) Regulations 2014.

The complainant can refer their complaint to the ESFA online at: [www.education.gov.uk/contactus](http://www.education.gov.uk/contactus), by telephone on: 0370 000 2288 or by writing to:

## **Section 6: Roles and Responsibilities**

### **Complainant**

The complainant will receive a more effective response to the complaint if they:

- explain the complaint in full as early as possible
- co-operate with the school in seeking a solution to the complaint
- respond promptly to requests for information or meetings or in agreeing the details of the complaint
- ask for assistance as needed
- treat all those involved in the complaint with respect
- refrain from publicising the details of their complaint on social media and respect confidentiality.

### **Investigator**

The investigator's role is to establish the facts relevant to the complaint by:

- providing a comprehensive, open, transparent and fair consideration of the complaint through:
  - sensitive and thorough interviewing of the complainant to establish what has happened and who has been involved
  - interviewing staff and children/young people and other people relevant to the complaint
  - consideration of records and other relevant information
  - analysing information
- liaising with the complainant and the complaints co-ordinator as appropriate to clarify what the complainant feels would put things right.

The investigator should:

- conduct interviews with an open mind and be prepared to persist in the questioning
- keep notes of interviews or arrange for an independent note taker to record minutes of the meeting
- ensure that any papers produced during the investigation are kept securely pending any appeal
- be mindful of the timescales to respond
- prepare a comprehensive report for the headteacher or complaints committee that sets out the facts, identifies solutions and recommends courses of action to resolve problems.
- The headteacher or complaints committee will then determine whether to uphold or dismiss the complaint and communicate that decision to the complainant, providing the appropriate escalation details.

## **Complaints Co-ordinator**

**(this could be the headteacher or CEO / designated complaints governor or trustee or other staff member providing administrative support)**

### **The complaints co-ordinator should:**

- ensure that the complainant is fully updated at each stage of the procedure
- liaise with staff members, headteacher, CEO, Chair of Governors, Chair of Trust or the Head of Governance and Communications and to ensure the smooth running of the complaints procedure
- be aware of issues regarding:
  - sharing third party information
  - additional support. This may be needed by complainants when making a complaint including interpretation support or where the complainant is a child or young person
- keep records.

## **Head of Governance and Communications to the Governing Body / Trust Board**

The Head of Governance and Communications is the contact point for the complainant and the committee and should:

- ensure that all people involved in the complaint procedure are aware of their legal rights and duties, including any under legislation relating to school complaints, education law, the Equality Act 2010, the Freedom of Information Act 2000, the Data Protection Act (DPA) 2018 and the General Data Protection Regulations (GDPR)
- set the date, time and venue of the meeting, ensuring that the dates are convenient to all parties (if they are invited to attend) and that the venue and proceedings are accessible
- collate any written material relevant to the complaint (for example: stage 1 paperwork, school and complainant submissions) and send it to the parties in advance of the meeting within an agreed timescale
- record the proceedings
- circulate the minutes of the meeting
- notify all parties of the committee's decision.

## **Committee Chair**

The committee's chair, who is nominated in advance of the complaint meeting, should ensure that:

- both parties are asked (via the Head of Governance and Communications) to provide any additional information relating to the complaint by a specified date in advance of the meeting
- the meeting is conducted in an informal manner, is not adversarial, and that, if all parties are invited to attend, everyone is treated with respect and courtesy
- complainants who may not be used to speaking at such a meeting are put at ease. This is

particularly important if the complainant is a child/young person

- the remit of the committee is explained to the complainant
- written material is seen by everyone in attendance, provided it does not breach confidentiality or any individual's rights to privacy under the DPA 2018 or GDPR.

If a new issue arises it would be useful to give everyone the opportunity to consider and comment upon it; this may require a short adjournment of the meeting

- both the complainant and the school are given the opportunity to make their case and seek clarity, either through written submissions ahead of the meeting or verbally in the meeting itself
- the issues are addressed
- key findings of fact are made
- the committee is open-minded and acts independently
- no member of the committee has an external interest in the outcome of the proceedings or any involvement in an earlier stage of the procedure
- the meeting is minuted
- they liaise with the Head of Governance and Communications (and complaints co-ordinator, if the school has one).

## **Committee Member**

Committee members should be aware that:

- the meeting must be independent and impartial, and should be seen to be so

No governor / trustee may sit on the committee if they have had a prior involvement in the complaint or in the circumstances surrounding it.

- the aim of the meeting should be to resolve the complaint and achieve reconciliation between the school and the complainant

We recognise that the complainant might not be satisfied with the outcome if the meeting does not find in their favour. It may only be possible to establish the facts and make recommendations.

- many complainants will feel nervous and inhibited in a formal setting

Parents/carers often feel emotional when discussing an issue that affects their child.

- extra care needs to be taken when the complainant is a child/young person and present during all or part of the meeting

Careful consideration of the atmosphere and proceedings should ensure that the child/young person does not feel intimidated.

The committee should respect the views of the child/young person and give them equal consideration to those of adults.

If the child/young person is the complainant, the committee should ask in advance if any support is needed to help them present their complaint. Where the child/young person's parent is the complainant, the committee should give the parent the opportunity to say which

parts of the meeting, if any, the child/young person needs to attend.

However, the parent should be advised that agreement might not always be possible if the parent wishes the child/young person to attend a part of the meeting that the committee considers is not in the child/young person's best interests.

- the welfare of the child/young person is paramount.
