## Aladdin 2026

15<sup>th</sup> October 2025

Dear Parent/Guardians

I am very excited to announce that next June Lord Street will be performing their first ever KS2 musical – Aladdin Jr. This will be an amazing opportunity, and I cannot wait to see the children shine on stage. We will be performing at Pendle Vale College, in their auditorium, and tickets will go on sale nearer the time.

Rehearsals will run as a weekly after school club every Tuesday until 4:30pm, this will be extended to 5:30pm closer to the show. The club will be free to attend for all those who are successful in their auditions. The first session (also free) on **Tuesday 4<sup>th</sup> November 2025** is open to anyone who signs up via MCAS, so please ensure you have signed your child up should they wish to take part. During the school day on Friday 7<sup>th</sup> November, auditions will be held where the children will audition in groups and then solo if they want to audition for one of the 12 speaking roles.

Commitment is key and all children who are offered a part in the production will be expected to attend every week, learn their lines at home and showcase our school values as always. This is a very exciting opportunity, and we cannot wait to get started!

If you have any questions or queries do not hesitate to get in touch or pop into the school office.

Many thanks,  
Yours faithfully,

Miss Bird
