24th February 2023

Dear Parents/Carers,

Re: Lord Street Primary School OFSTED Inspection

It gives me great pleasure to inform you that Ofsted have published their report following our inspection on Monday 10th and Tuesday 11th January 2023 and judged our school to be 'Good' in ALL areas. The full report is now available on our school website and as an attachment to this email for you to read and enjoy. It will become available on the Ofsted website within 5 working days.

Throughout the report, it references how our children are happy, enjoy coming to school and feel safe whilst they are here. The report also references our great curriculum, in particular, our prioritisation of 'the teaching of reading' and found that 'pupils enjoy a broad range of activities beyond the school day'. Our children represented our school impeccably and I cannot thank our parents enough for the positive views they gave the inspectors over the course of the inspection.

Please read through to find all the lovely things the inspectors had to say about our school, staff and pupils. Inspectors report on our Pupil Leadership Programme stating 'pupils wear their badges with pride'. It is safe to say the report is testament to the commitment to our school community from staff, parents and pupils.

I am so proud that the inspectors recognised the grit and determination that has been given to Lord Street from what can only be described as a remarkable staff team and you will see the constant reference to 'leaders and staff' throughout the report.

Everyone at Lord Street Primary School is delighted with the feedback provided by Ofsted and I could not wish for a better team of people to educate our future!!

All of our staff, families and young people have played a central role in ensuring that the school continues to provide an excellent education that prepares children for an ambitious future of learning and opportunities. Again, I would like to thank our parents who continue to support the school as we continue to strive for excellence in our local community. We have already begun our next steps following the inspection and staff are working hard to continue to embed all that we do so well.

If you would like to discuss the report further or have any questions, please do not hesitate to contact me at your earliest convenience.

Kind regards

Yours faithfully,

Hayley Walsh
One proud Headteacher
