18th November 2022

Dear Parents and Carers,

On **Tuesday 29th November 2022 we will be going on a trip to Fylde beach school** to enhance part of our Geography learning journey this term. Fylde Beach School offers a whole new learning experience, in order to provide children with the opportunity to explore their natural surroundings in an organised setting. Through a variety of games and activities, including: Beach Conservation, Map Reading and Survival, Beach School sessions aim to educate children about their local coastal environment and how they can help to sustain it for future generations.

As the weather at this time of year can be unpredictable, we request that the children bring wellies, or waterproof boots, and a warm coat, to ensure they are kept warm for the duration of the trip.

On the day of the trip, children must arrive at school by no later than 9.00am, as the coach is due to set off at 9:15am, to ensure we have a full day of activities. Children will be returned to school at 1:30pm, therefore home time will be as normal.

The school kitchen will provide your child with a packed lunch, if they normally receive school meals. If your child normally brings in a packed lunch, please send your child into school with their lunch in a disposable carrier bag.

The cost of the trip is £19.00 per pupil as the school has been able to subsidise some of the cost. If you would like your child to take part **please sign in to MCAS to pay for the trip before Tuesday 22nd November.**

This promises to be an exciting and unique cultural learning experience for the children and we are all very much looking forward to it.

Yours sincerely,

Mr Astley and Miss Banks,

Year 6 team.
