## **World Book Day 2023**

Dear parents or guardians,

I am pleased to announce that we will be celebrating world book day on Thursday 2<sup>nd</sup> March 2023 with a day filled with reading activities.

The children are invited to come to school, on this day, dressed as an ambitious word. I have attached pictures of some low-cost dress up ideas to ensure this activity does not create additional cost.

Vocabulary is an important part of reading and we are always encouraging our children to discover and use new words, so please think outside the box.

As part of the celebrations we would also like to invite you into our classrooms for our half termly stay and read sessions. During this time the children would like to share their love for reading with you through a collective story time alongside reading activities.

To build up the excitement around the celebration, I would like to launch a love for reading competition. We are inviting the children to design a shoe box that represents their favourite book, without using the title. The children may use characters, settings or key objects from the text to describe their book but must not use the title. The boxes will be displayed in school for other pupils to guess the title. Please bring all entries to Mrs Thwaite by Wednesday 1<sup>st</sup> March. A winner will be selected for both KS1 and KS2.

We are looking forward to an exciting day full of reading and fun.

Yours Faithfully

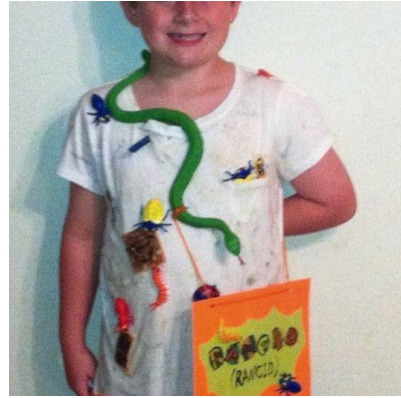

Amber Thwaite
