Monday 17th of October 2022

Dear Parents / Carers,

We are pleased to offer a reading and phonics information talk for all parents across the school. The purpose of the talk will be to share with parents some of the different strategies we use in school to support children in their journey of reading. By sharing this information we feel this will empower you to support your child/children with their learning journey whilst sharing reading at home. As reading is a key element to all areas of learning, we feel it is important to emphasise our early reading strategies and how these progress into supporting reading as your child progresses in their school career.

The talk will address the phonics curriculum and our approach to reading groups before moving on to reading comprehension sessions, our reading for pleasure offer and home reading expectations.

These talks will be held on **Monday 21st of November at 9:15am or 5:30pm** and will be a talk lead by Mrs Thwaite- reading lead and Miss Clamp- phonics lead.

Many thanks,

Amber Thwaite and Rebecca Clamp
(Reading and Phonics lead)
