Dear Parents/Carers,

Re: Rucksacks/Bags

Some of you may be aware that in order for the school to look nice and safer, we have invested a large amount of money into lockers. The lockers look fabulous through school and stop the trips and falls as belonging are stored neatly away.

Our lockers are big enough for TWO coats and TWO PE Kits (in a Lord Street PE bag).

We do not have the room in school to store rucksacks or big leather handbags and these are once again making the corridors unsafe as they are being left on the floor. Before you purchase your school uniform and bags for September 2022, I would like to inform you that rucksacks and handbags will not be brought into school.

I understand this will be a culture shift for some of you, so I am giving **EVERY** pupil in Lord Street a **free** book bag **and** PE bag to use from September 2022. You can collect these from the school office **once you have received a text message from us to say they have arrived.**

Children on packed Lunch - Could you please purchase a small square lunch bag which will be stored in a trolley inside the classroom.

PE Kits will be kept in the locker
Coats will be kept in a locker
Book Bag will be stored in the classroom

Children Swimming - Swimming bags will be held in school for the day.

Thank you so much with your support on this matter.

Yours sincerely,

Hayley Walsh
