

Year 3 - yearly overview

	Autumn		Spring		Summer	
WRITING Coretextandoutcome	The Iron Man Ted Hughes Narrative: Approach Threat Purpose: To narrate Explanation: How to capture the Iron Man Purpose: To explain 		Rhythm of the Rain Grahame Baker-Smith Recount: River Information leaflet Purpose: To inform 		Egyptology Dugald Steer Narrative: Egyptian Mystery Narrative Purpose: To narrate Instructions: Secret Diary Purpose: To recount 	
		Fox Margaret Wild Narrative: Fable Narrative Purpose: To narrate Information: Foxes Purpose: To inform 		Jemmy Button Jennifer Uman Narrative: Return Narrative Purpose: To narrate Information: Letter Purpose: To recount 		Into the Forest Anthony Browne Narrative: Lost Narrative Purpose: To narrate Recount: Newspaper report Purpose: To recount 

READING	Textlinking tocore	The Witches Roald Dahl	Tell me a dragon Jackie Morris	Sam Wu in Not Afraid of the Dark Kevin Tsang	Here I Am Patti Kim	Ancient Egypt: Gods, Pharaohs and Cats! Marcia Williams	Cloud Busting
	Non Fiction	Wild Robot Peter Brown	Barefoot Books World Atlas Nick Crane	The rhythm of the rain Grahame Baker-Smith	India, Incredible India Jasbinder Bilan	Egypt Rob Lloyd Jones	Danny the champion of the world Roald Dahl
	Picture Book	A street through time.	Journey Aaron Becker	Wild Is the Wind Grahame Baker-Smith	In Our Hands Lucy Farfort	The Suitcase Chris Naylor-Ballesteros	The Comet Joe Todd-Stanton
	Poem	The World's Greatest space cadet Andrea Reece	The World's Greatest space cadet Andrea Reece	When Poems Fall from the Sky Zoro Weil	Everyone Sang: A Poem for Every Feeling William Sieghart	Quick Let me Get Out of Here	Paint Me A Poem
	Traditional tale/Myth/ Legend/Play/Other culture	Maui and the Sun Comprehension Ninja	Fantastic Mr Fox Roald Dahl	Illustrated Myths from Around the World (Anansi and the Box of Stories)- Usborne Illustrated	Jungle Book Extract	Rapunzel: A Rebel Fairytale: 2 (Rebel Fairytales, 2)	The Firework-Maker's Daughter
	End of day read	The Iron Man	Fantastic Mr Fox	Stig of the Dump	The Nothing to see here Hotel	The Accidental Prime Minister	The Firework-Maker's Daughter
MATHS		Place Value Adding and Subtracting 	Adding and Subtracting Multiplication and Division (A) 	Multiplication and Division (B) Length and Perimeter 	Fractions (A)  Mass and Capacity 	Fraction (B)  Money 	Time  Shape  Statistics 

SCIENCE	Light Can we see in the dark? What are shadows? Recognise that they need light in order to see things, and that dark is the absence of light; notice that light is reflected from surfaces; recognise that light from the sun can be dangerous and that there are ways to protect their eyes; recognise that shadows are formed when the light from a light source is blocked by an opaque object; find patterns in the way that the size of shadows change. 	Forces and magnets On which surface will the car travel furthest? Which materials are magnetic? Compare how things move on different surfaces; notice that some forces need contact between two objects, but magnetic forces can act at a distance; observe how magnets attract or repel each other and attract some materials and not others; compare and group together a variety of everyday materials on the basis of whether they are attracted to a magnet, and identify some magnetic materials; describe magnets as having two poles; predict whether two magnets will attract or repel each other, depending on which poles are facing. 	Rocks and soils Which rock is the hardest? What is soil? Compare and group together different kinds of rocks on the basis of their appearance and simple physical properties; describe in simple terms how fossils are formed when things that have lived are trapped within rock; recognise that soils are made from rocks and organic matter. 	Flowering plants How does water travel around a plant? Identify and describe the functions of different parts of flowering plants: roots, stem/trunk, leaves and flowers; explore the part that flowers play in the life cycle of flowering plants, including pollination, seed formation and seed dispersal; explore the requirements of plants for life and growth and how they vary from plant to plant; investigate the way in which water is transported within plants. 	Animals including humans Where can we see muscles on our body? What would happen if humans didn't have a skeleton? Identify that animals, including humans, need the right types and amount of nutrition, and that they cannot make their own food; they get nutrition from what they eat; identify that humans and some other animals have skeletons and muscles for support, protection and movement. 
HISTORY	A local History Study Enquiry: How did life change for children in North West England during the Industrial Revolution? 	Changes in Britain from Iron Age to Stone Age Enquiry: How did life change in Britain from the Stone Age to the Iron Age? 	An in-depth study of the Shang Dynasty in China Enquiry: How do the achievements of the Shang Dynasty contrast to those of Bronze age Britain? 		

GEOGRAPHY PE ART & DESIGN	Local – Lancashire How has Lancashire changed over time? Name and locate counties and cities of the United Kingdom, geographical regions and their identifying human and physical characteristics, key topographical features (including hills, mountains, coasts and rivers), and landuse patterns; and understand how some of these aspects have changed over time Describe and understand key aspects of human geography, including: types of settlement and land use 		National – Agriculture What does UK farming look like and is it sustainable? Describe and understand key aspects of human geography, including: types of settlement and land use. 		Global - Transport, Travel, Tourism and Global Trade What is global travel, tourism and trade, how is our world connected? Describe and understand key aspects of human geography, including: economic activity including trade links, and the distribution of natural resources including energy, food, minerals and water: China 	
	Swimming  Rugby 	Swimming  Dance 	Gymnastics 	Short tennis 	Cricket  Athletics 	Athletics  Rounders 
	Drawing: Oil Pastels Focus on modernism- flowers Children to create their own flower design using Oil pastels in the style of Georgia O’Keefe 		Sculpture: Clay Focus on moulding and shaping clay Children to create a 3d sculpture using pinch pot technique. Inspired by Andile Dylavane 		Colour: Paint Focus on pointillism Children to apply their knowledge of contrasting colours and pointillism. In the style of Georges Seurat. 	

DESIGN & TECHNOLOGY	Textiles		Mechanical System		Food technology	
	2D shape into a 3D product. Christmas Tree decoration.		Catapults.		Vegetable soup	
COMPUTING	Computing systems and networks 1		Computing systems and networks 2		Computing systems and networks 3	
	Networks 	Programming 	Emailing 	Journey inside a computer 	Video trailers 	Data Handling Comparison cards databases 
RE	Christianity-God		Islam		Hindu Dharma	
	How (and why) have some people served God? 		Why is the Prophet Muhammad (pbuh) an example for Muslims? 		Why is family an important part of Hindu life? 	
MUSIC	Christianity-Church		Sikhism		Christianity-Jesus	
	What do Christians mean by the 'Holy Spirit'? 		Why are the Gurus important to Sikhs? 		What does it mean to be a disciple of Jesus? 	
PSHE	Ballads		Creating compositions in response to animations		Developing singing techniques.	
	Theme mountains. 		Theme: The Vikings 		Pentatonic melodies and composition. Theme Chinese New Year 	
PSHE	Jazz		Traditional instruments and improvisation.		My Healthy Self	
	Theme India 		Connecting with Others 		The Online World 	
PSHE	Citizenship		Health Protection		Citizenship
