## SEND Directory

### Search the SEND Directory

Search our directory for organisations that provide information, advice, support or activities in Lancashire and nationally, if relevant.

You should always check that the service or organisation meets your own requirements by contacting them directly. We do not carry out checks on individual providers, services and events on your behalf.

We try to keep information about groups and activities up to date, but please contact the service or organiser before you go to check the date and time. Places are limited for some activities so you may need to book a place in advance.
